Can you…….?

- Count forwards in jumps of 5, 10,25, 50 and 100
- Count backwards from 100-0
- Practice saying your 2, 5 and 10 times tables, forwards and backwards!
- Think of 10 different ways of making the number 100

Find either 10 or 100 more and less than the numbers in the clouds below:

10 more and less:

34 57 21
80 345 68
133 98 18

100 more and less:

210 512 890
500 145 684
751 642 308

Investigation Activities

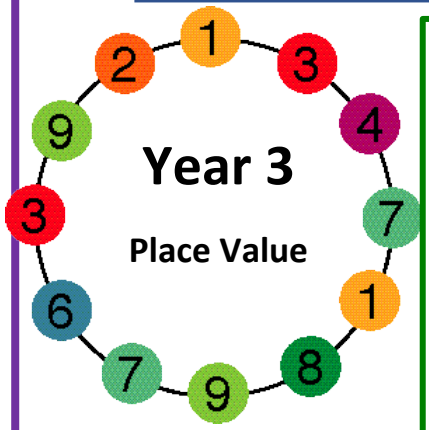
A number is rounded to 170
What could all the possibilities be?

170

Here are four digit cards.

4	0	5	3

Arrange them to make as many different 4-digit numbers as you can. Then put then in order, from smallest to largest.



Activity linked to Weekly Topic Learning

See attached resource linked to endangered animal enclosures.

Complete this and use it to create your own zoo!

This is also available on the school's website.

What's my number?

1. I am a three-digit number. My tens digit is five more than my ones digit. My hundreds digit is eight less than my tens digit. What number am I?
2. My number has three digits. The ones digit is 72 less than 81. The hundreds digit is an odd number which is bigger than 1 but smaller than 4. The tens digit is the same as 5 + 4. What's my number?
