

Eastbrook Primary Academy Remote learning – Year 5 Maths

Mon		INSET DAY
Tues	Multiply and divide numbers by 10, 100 and 1000	<p>Watch the video here: https://www.youtube.com/watch?v=pbPLPUqwhZ4 to refresh your memory on multiply and dividing by 10, 100 and 1000.</p> <p>Make sure you have a piece of paper with you during the input/video to have a go at the method.</p> <p>Choose a set of questions to answer (found on the school website) – bronze, silver or gold – depending on how confident you are feeling.</p>
Weds	Multiply numbers by multiples of 10, 100 and 1000	<p>Listen to the input on Microsoft Teams at 11am (you will receive a link in an email)</p> <p>Make sure you have a piece of paper with you during the input/video to have a go at the method.</p> <p>Choose a set of questions to answer (found on the school website) – bronze, silver or gold – depending on how confident you are feeling.</p>
Thurs	Divide numbers by multiples of 10, 100 and 1000	<p>Listen to the input on Microsoft Teams at 11am (you will receive a link in an email)</p> <p>Make sure you have a piece of paper with you during the input/video to have a go at the method.</p> <p>Choose a set of questions to answer (found on the school website) – bronze, silver or gold – depending on how confident you are feeling.</p>
Fri	Practise times tables	<p>Today we would like you to choose a times-table to practise. Try counting up and down in the times table. Can you count up and down only saying the odd (2x, 4x etc.) then even (1x, 3x, etc) times tables?</p> <p>See what score you can get on Hit the Button with your chosen times table: https://www.topmarks.co.uk/maths-games/hit-the-button</p> <p>Challenge yourself with a 144 challenge! (Found in the resources section on the website)</p>
