

ABSTRACT EXPRESSIONISTS

The abstract expressionists were a group of artists who made 'action paintings'. They were most popular in the USA in the 1950s.

These did not paint real things they could see, instead they tried to show emotions and feelings!

Which feelings and emotions do you think these artists tried to show here?

Jackson Pollock

Lee Krasner

Clifford Still

ABSTRACT EXPRESSIONISTS

Task

Choose either:

study the paintings by copying the style. What materials could you use?

Copy your favourite one and explain why you like it.

ABSTRACT EXPRESSIONISTS

Here is an example of a study page you could try.
