June 2019

Dear Parents/Carers

<u>Y5 Reading book</u>

For our literacy unit and reading lessons for the rest of this year we will be studying 'The Explorer' by Katherinie Rundell. We have limited copies in school and we would like to give the children the opportunity to own their own book, which they will be able to annotate during learning, if they wish, to increase their understanding of the text.

We are asking if parents would like to voluntarily buy the book so the children have their own copy they can use in school and take home. Ideally, and in future years, we would read the entire book in learning time, however, it may be that we don't finish the book in school and so it might be nice if the children would like to finish it in the summer holidays.

As the book is theirs, once they have finished it, the children can keep the book, or they may like to then donate the book to a younger sibling or relative in the school for when they get to year 5. Alternatively, if they would like to donate it back to school then it can be recycled and used again for future year groups.

The book can be purchased in stores or on Amazon for £5.75. If you would like the school to purchase this book on your behalf then please complete the below slip with the payment and an order can be placed. Of course there is no obligation to buy the book it is completely voluntary.

Thank you for your continued support.

Yours sincerely
**Miss Johnstone        Mr Watkin        Mrs Walker        Mrs Groves**
