Year 6 Sex and Relationship Education

Dear Parents and Carers

Year 6 will soon be taking part in lessons about Sex and Relationships. These follow and build upon the lessons about puberty and adolescence that pupils undertook in year 5.

The children will learn about some of the physical and emotional changes that happen as they become older and begin to think about the nature of secure and loving adult relationships.

As part of this, the year 6 children will also learn about the process of human reproduction. They will view an age-appropriate educational DVD that includes a short animation showing sexual intercourse.

If you have concerns about the nature of the DVD or lesson content, we are inviting parents to view the relevant part of the DVD and ask any questions. This will be on Wednesday 3rd July in Miss Sussman's classroom at 3.20pm. Please return the slip to the school office if you wish to attend.

Thank you for your support.
