

Our

school

has been

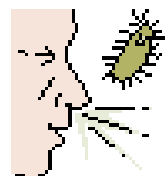

closed

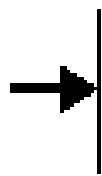

because of

the

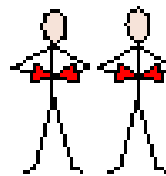

coronavirus

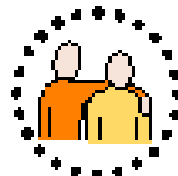

to

keep

us

safe.

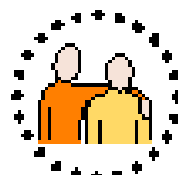

It

is

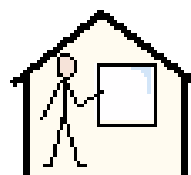

now

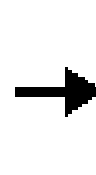

safe

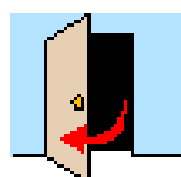

for

school

to

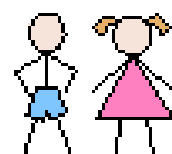

open

for

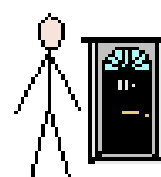

some

children.

The

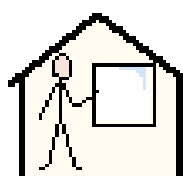

Prime Minister

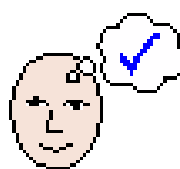

is

helping

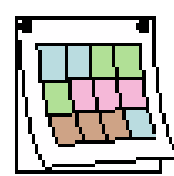

schools

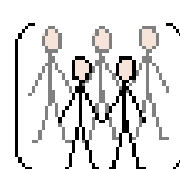

know

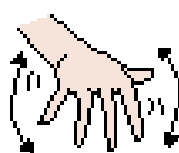

which

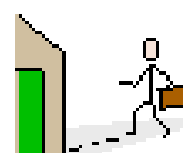

year

groups

could

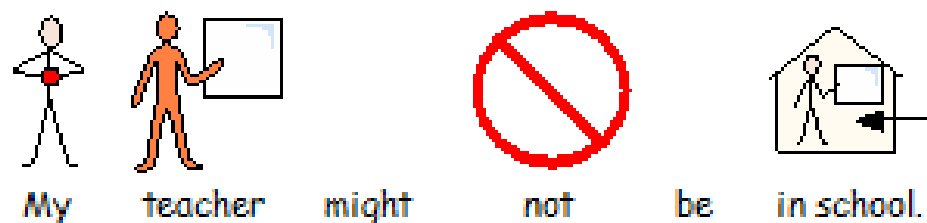

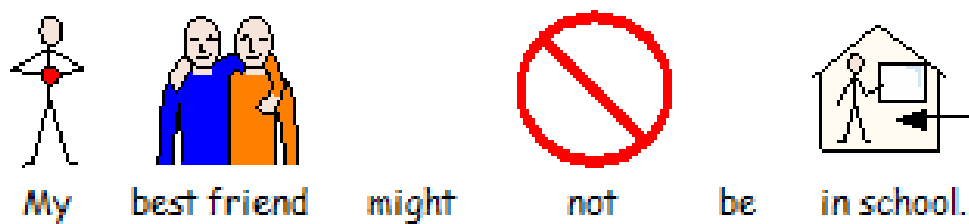

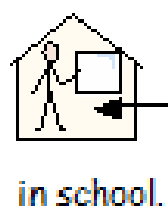

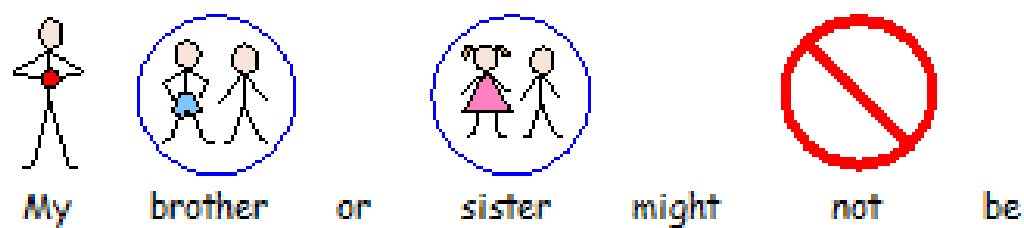

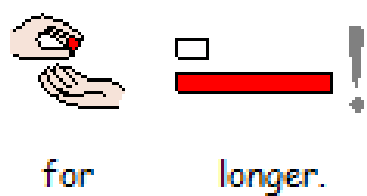

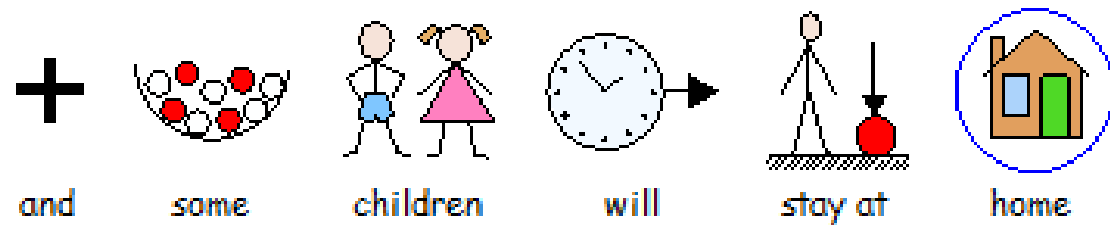

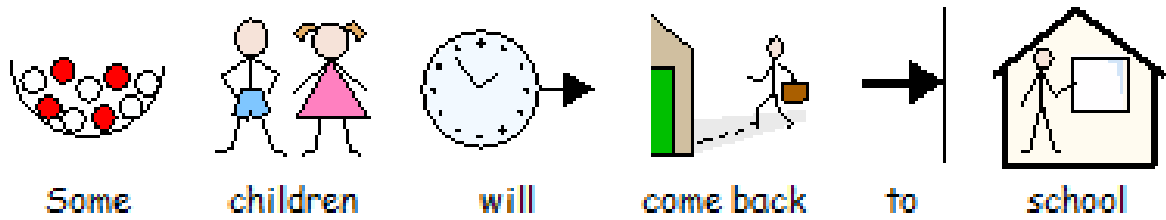

come back

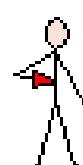

and

when.

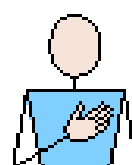

I

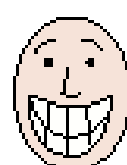

might

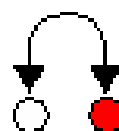

feel

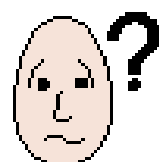

worried,

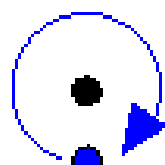

excited

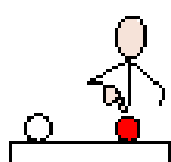

or

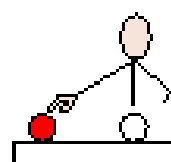

confused

about

this.

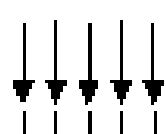

That

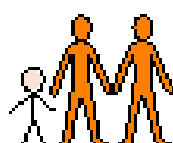

is

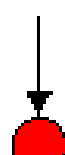

OK.

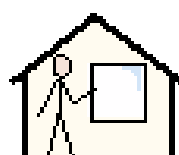

All of the

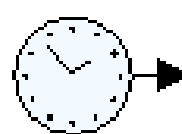

grown ups

at

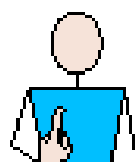

school

will

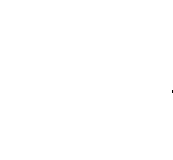

help

me.

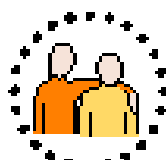

When

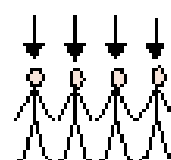

it

is

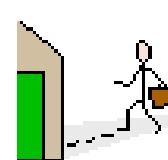

safe

for

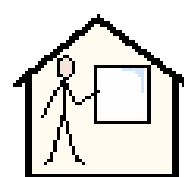

everyone

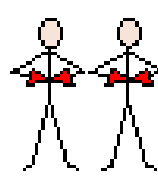

to

come back

to school.

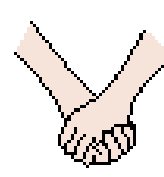

we

will

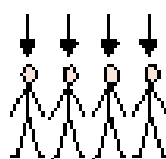

all

be

together

again.

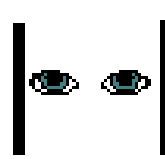

Everyone

is

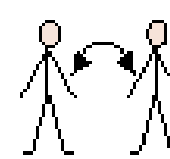

looking

forward

to

seeing

each other.
