## Rainbow Write

Say the word and write the word in pen or pencil. Say the letters as you write the word.

Now choose a coloured pencil. Say the word and trace over the word with your coloured pencil. Remember to say each letter as you write the word.

Repeat with a different coloured pencil.

## Curly writing

Can you write these words in normal letters and then in curly writing?

*ABED&F*

## Pyramid Write

Say the word. To write the word, begin with the first letter.

Then write the first and second letter.

Continue to add one letter at a time until you have written the whole word.

## Unscramble the Words

Ask someone who lives with you to take each word and to scramble the letters up.

Can you rearrange the letters to spell the word?
