

History

Hook – Evacuation day

Outcome

The children will have a strong understanding of the events that occurred during WW2 and the effect on the people of Britain. During the topic the children will study the reasons for the outbreak of WW2, the Blitz, rationing, blackouts, D Day and VE day.

Children create a war diary, imagining they were there at the time. They will include various forms of writing including diaries, letters, information leaflets and instructions.

They will visit Newhaven Fort, where they will participate in workshops related to WW2.

At the end of the topic, they will take part in VE day celebrations in which they will participate in a range of war time activities.

Maths

Mental calculations using all 4 operations.

Fractions decimals percentages and ratios and probability

Written methods for calculations.

Co-ordinates

Angles

Measures

Using mathematical reasoning.

Problem solving

Literacy

‘Goodnight Mr Tom’- analysing sections of the text.

Writing in role as a character from the text
