

Year 1 Weekly Timetable- Minibeasts

Week 3 – 4.5.2020

Reading	Phonics	Day	English	Maths – addition and subtraction	Topic
<p>Read for up to 15 minutes each day. This can include listening to someone read a story.</p> <p>Choose a non-fiction book – How is it different to a story book?</p>	<p>Use allocated games on Activelearn.</p> <p>Please check emails for other phonics activities to complete.</p>	Monday	<p>Topic web activity – Minibeast memory game. Children to draw pictures of different minibeasts (minibeast names) on paper and turn face down.</p> <p><i>‘Deep, down and underground, I can see a...(cute caterpillar)’</i> Children to turn over one card and finish the sentence. Children to repeat phrase <i>‘Deep, down and underground, I can see a... (wiggly worm...and a cute caterpillar)’</i></p> <p>Each time – children to add another minibeast. How many can they remember altogether?</p> <p>Optional learning activities- Bitesize Daily Lessons - Practicing phonics skills Oaks- Daily Lesson</p>	<p>Maths web activity – Practice number bonds to 10 and 20. How many different ways can you make 10? How many different ways can you make 20? Do you notice a pattern?</p> <p>Additional Learning Activities- Bitesize link- Part-whole relationships: number bonds Oaks - Daily Lesson White Rose- Daily Lesson</p>	<p>PSHE “If I were a minibeast I would be a...” Children to say which minibeast they would like to be and explain why. What do they like about the minibeast they have chosen and why? Is there something that another minibeast has which you would like to add to your minibeast?</p> <p>Use the minibeast names resource to give ideas for minibeasts!</p>
<p>Who was your favourite character? Why?</p> <p>Predict what might happen next</p>	<p>Have a go at spelling these words: your they she his has</p>	Tuesday	<p>Topic web activity – Research into different types of minibeasts (minibeast names) using a range of media - books/programmes/internet – Present what you have found in an interesting way (poster, video, factfile etc.)</p> <p>Optional learning activities- Bitesize link- Capital letters and full stops Oaks- Daily Lesson</p>	<p>Maths web activity – Play the addition and subtraction games: https://www.topmarks.co.uk/maths-games/5-7-years/addition-and-subtraction</p> <p>Additional Learning Activities- Bitesize link- Linking addition and subtraction Oaks- Daily Lesson White Rose - Daily Lesson</p>	<p>Art / DT Draw a wonderful minibeast picture! Think about the habitat they might live in for your background.</p>

Year 1 Weekly Timetable- Minibeasts

Week 3 – 4.5.2020

<p>Draw an alternative front cover</p> <p>How many times can you write each word in a minute?</p> <p>Can you use the words in a sentence?</p> <p>Jumble up the letters – can you put them back together to spell the word?</p>	<p>Wednesday</p>	<p>Topic web activity – Listen to ‘The Very Hungry Caterpillar’ – Think about what happens at the beginning, in the middle and at the end. Plan your own version of the story changing one or two things (the food, the minibeast etc.)</p> <p>Optional Learning Activities-</p> <p>Bitesize link- Forming long ladder letters Oaks- Daily Lesson</p>	<p>Maths web activity – Addition and Subtraction Word Problems Gerald the giraffe has 6 spots and Tony the giraffe has 4 spots, how many spots do they have all together?</p> <p>Percy penguin eats 12 yummy fish and his friend Simon eats 11, how many fish did they eat all together?</p> <p>Albert had 32 colouring pencils, he gave 6 to his friend Archie, how many did Albert have left?</p> <p>Additional Learning Activities- Bitesize link- Add together and find a part Oaks- Daily Lesson White Rose - Daily Lesson</p>	<p>PE Can you create a minibeast dance? – Think about the different ways that minibeasts move and use the minibeast action cards to explore different ways to move – Use the language: <i>high, low, wide, narrow</i></p>		
		<p>Topic web activity – Using your plan from yesterday write or retell your own version of the story – think about how you could use adjectives (to describe nouns) to make your sentences super!</p> <p>Additional Learning Activities- Bitesize link- Creating questions using question marks Oaks- Daily Lesson</p>	<p>Maths web activity – Minibeast Investigation: How many legs do they have? Can you find a minibeast to fit each number range?</p> <table border="1" style="width: 100%; text-align: center;"> <tr> <td>0-6</td> <td>7-12</td> <td>13-24</td> <td>25+</td> </tr> </table> <ul style="list-style-type: none"> Make your own addition and subtraction numbers sentences using the minibeasts. E.g. bee + bee = 12 When subtracting put the larger number first. To make it trickier add 3 different minibeasts together. Is the number of legs always even? If you add two even numbers does it always equal an even number? <p>Additional Learning Activities- Bitesize link- Add more and count on within 20 Oaks- Daily Lesson White Rose - Daily Lesson</p>	0-6	7-12	13-24
0-6	7-12	13-24	25+
