

# Eastbrook Primary Academy Remote learning – Year 5 Maths: Spring Week 8

Mon	Convert between units of time	<p>Listen to the input on Microsoft Teams at 11am or read through the maths slides for Monday (found on the website).</p> <p>Today, we will recap our previous learning on how to convert between units of time (millennium, century, year, month, week, day, hour, minute, second)</p>
Tues	Understand the 12 and 24 hour clock	<p>Listen to the input on Microsoft Teams at 11am or read through the maths slides for Tuesday (found on the website).</p> <p>Today, we will recap how to read the time on 12- and 24-hour clocks.</p>
Weds	Read and interpret timetables	<p>Listen to the input on Microsoft Teams at 11am or read through the maths slides for Wednesday (found on the website).</p> <p>Today, we will learn how to interpret timetables, calculating the time for travel.</p>
Thurs	Solve problems about time	<p>Listen to the input on Microsoft Teams at 11am or read through the maths slides for Thursday (found on the website).</p> <p>Today, we will have a go at solving some word problems about time.</p>
Fri	Practise times tables	<p>Today we would like you to choose a times-table to practise. Try counting up and down in the times table. Can you count up and down only saying the odd (2x, 4x etc.) then even (1x, 3x, etc) times tables?</p> <p>See what score you can get on Hit the Button with your chosen times table: <a href="https://www.topmarks.co.uk/maths-games/hit-the-button">https://www.topmarks.co.uk/maths-games/hit-the-button</a></p> <p>Try the times tables 'diploma' program on <a href="http://www.timestables.co.uk">www.timestables.co.uk</a></p> <p>Challenge yourself with a 144 challenge! (Found in the resources section on the website)</p>
