KS2 CHILDREN ONLY

5th November 2015

Dear Parents and Carers

Mrs Ross would like to invite children to attend the cheerleading auditions after school on Wednesday 11th November. This is to prepare the children for a cheerleading competition that will be taking place on Thursday 10th December at Shoreham Academy.

We will expect your child to be committed to attend all the training sessions, if they are chosen from the auditions. If your child would like to attend these sessions please complete the slip below.

We will give more details about the competition nearer the time but please be aware that we will only be able to choose a few children for the competition.

Thank you for your support.
