Dear Parents/Carers

SATs Revision Booklets and Meetings

With a view to the upcoming SATs tests in May, a few of you have been asking if we can recommend Maths booklets that can be bought from various retailers. These are often quite expensive and variable in quality, so we have decided to offer any parents who want to purchase them the chance to buy one.

CGP are a company who specialise in revision materials for KS1 and KS2 and we are able to offer these booklets for a discounted rate of just £1.25 per book. If you would like to order the maths books bundle, please complete the form at the bottom of this letter and return it to the school office with your payment by Thursday 28th January. We will contact you when the books are available for collection.

We will be holding parents meetings to talk to you about the forthcoming SATs tests. The information will include what they mean, why the children sit them, what they entail and general information on how you can support your child. A letter will be sent out once the dates for the meetings have been confirmed.

Many thanks,

Miss Lay
Y2 Leader

.....
KS1 SATs books

Name of child: _____ Class: _____

- I confirm that I would like to order a KS1 Maths workout and KS1 Mental Maths revision booklet at a cost of £2.50 and enclose payment.

Signed Parent/Carer

Please return by Wednesday 25th February
