Fronted adverbials

Need more help after watching the video? Look at the PowerPoint on the Eastbrook website to help you with examples of fronted adverbials!

Starter:

Fronted adverbials can be added to sentences to describe location. They tell the reader where something takes place. For example:

In class, the boy sat listening to his teacher.

The fronted adverbial in this sentence is '**In class**' because it tells the reader where the boy is. In the activity below, please match the fronted adverbial with the correct sentence to explain where it happens.

Below the waves,

Behind the counter,

In the park,

On the table,

On a rock,
