

Maths maze for 1 or 2 people working together

START with £500	Double	Subtract £300	Halve	Add £90
		Halve		Double
Add £60	Halve	Subtract £20	Halve	Subtract £120
Double		Subtract £60	Add £500	Add £100
Add £100	Subtract £50	Add £400		FINISH

How to play

Put a counter on Start and make a note of your starting score (you start with £500).

Roll a dice and move that many squares.

Wherever your move ends, adjust your score accordingly.

Go on like this.

When you reach Finish, the game is over. If your score is between £1500 and £2000 you win — otherwise you lose.

Rules

You may not go on or through the grey squares.

You may go any way round the maze, and go over the same route twice.

In any one turn, you can't double back on yourself.

If your score drops below 0, you lose.
