TBAT use short sentences for effect

Task:

Copy out the description below of Little Red's journey through the forest. Include some short sentences for effect.

Focus on your handwriting when copying the paragraph.

Challenge: Continue the paragraph with your own ideas.

Little Red looked around, suddenly aware of the beauty she had taken for granted. Although there were areas where the light was dim, everywhere the light fell glistened with beauty and warmth. Below the largest oak tree grew small white flowers and underneath the birch grew bright toadstools. Little Red felt a warmth come across her and a faint smile grew across her face. Seeing the smile upon her face, the wolf licked his lips, knowing she had fallen for this trick.
