

We currently have spaces in: **Reception** and **Y4**. We would love more children to join us—please tell your friends.

School Pedestrian Crossing

Following the excellent petition launched by Mrs. Morgan to request a pedestrian crossing on Manor Hall Road, we have been contacted by the local council and our Westminster MP to ask for a consultation meeting at our school about road traffic safety.

MP Tim Loughton and Cllr Dunn will be coming to Eastbrook on Friday 1st July at 1pm (during sports day so lots of you will already be here) to listen to your views about road safety around school and our request for a pedestrian crossing on Manor Hall Road. Everyone is welcome to come along to meet them and talk about what we need to keep our children safe.

144 Challenge

A very well done to the many pupils who completed their 144 challenge. This involves answering 20 questions based on all the timetables up to and including the 12s. Questions include finding the product of, multiplying two numbers and dividing.

We look forward to more children passing the challenge in the coming weeks.
Especially from Y4 as they prepare for the first ever national multiplication tables check.

Y4 Manor Cottage Trip

Our Y4 history buffs had a fantastic time at Manor Cottage finding out about Victorian Schools, a Roman Villa, a 15th century farm cottage, home life in the 1950s. There was also a famous local air incident linked closely to our school.

Y2 Beach Day

As promised, here are some more fantastic photos from the Y2 beach day last week. Enjoy!

Community Games

Over the course of Monday and Tuesday of this week all of our Y3, Y4, Y5 and Y6 children took part in an enormous community games competition at Shoreham Academy. Taking part in six different sporting activities, our brilliant teams brought home an impressive third place overall. Well done!

Friends of Eastbrook—PTA

Our fabulous Friends of Eastbrook do so much for the school that we decided they deserve their very own page in the Eastbrook Echo. Check here each week for special messages from the PTA to all parents about upcoming events, fundraising opportunities and ways you can help.

Events: 15th July 3-6:30pm: School Summer Fair

Everyone is welcome to attend, with lots more news to come about this event in the coming weeks.

Summer Fair Raffle: As we start to collect donations for our annual summer fair raffle (thank you to everyone who has already made donations—we would also like parents and family members who work for local or larger businesses to ask if they would like to make donations in the form of vouchers. Maybe a cut & colour from a hairdresser, a meal for two in a local pub or a bunch of flowers from the florist. If you think you can help, please contact Friends of Eastbrook.

Ways to Help: Friends of Eastbrook are always looking for new members, either to join the full time PTA, be part of small committees or just help out on the day during major events. Even if you just have a little bit of spare time, your help will be more than welcome.

Watch this space for more news of our wonderful Friends of Eastbrook, the best PTA in West Sussex (at the very least).

COVID Information for Parents

Test and Self-Isolation

As of 1st April, government guidelines on the management of Covid-19 were radically altered, with significant reductions in all control measures. At Eastbrook, we continue to want to protect our children the best we can. However, in the light of reduced numbers of cases, we have amended our guidance to parents:

If your child has a high temperature and any other symptoms (listed below) they should stay home and avoid contact with other people where they can. We cannot directly recommend testing for Covid-19, but a health professional can do this and we therefore recommend consulting a health professional if your child has symptoms of Covid-19. The three main symptoms are:

- a high temperature
- a new, continuous cough – this means coughing a lot, for more than an hour, or 3 or more coughing episodes in 24 hours
- a loss or change to sense of smell or taste – this means they cannot smell or taste anything, or things smell or taste different to normal
-

Any child testing positive, should remain in isolation for 3 days. We also suggest keeping them off school until symptoms have reduced.

In School Measures

After Easter we have relaxed measures relating to Skoolzout and breakfast club.

We are still asking all staff to test if they develop symptoms, so that we can ensure we do not pass on Covid to children and any member of staff will observe a five day isolation. We will still fully support families who take measures to protect their child from infection and who choose to regularly test at home.

Please contact us if your child has tested positive so that we can let classes know when there is a case. Anyone who wants their child to wear a mask in school, please let the class teachers know, so that we can support them in class.

If your child tests positive for Covid-19—**PLEASE DO NOT SEND THEM TO SCHOOL.** Speak to us first.

We continue to take the health of Eastbrook children seriously and treat Covid-19 as the highly infectious and potentially life threatening illness that it is.
