To whom it may concern

We are a group of parents and staff who work hard raising funds for the extra things that make school life more enjoyable for the children. This is particularly important at the moment as school budgets are so restrictive and can now only pay for the essentials within school.

We try to provide additional funds for different aspects of school life including: reading schemes, playground equipment and supporting enrichment activities for all the children, such as the Christmas pantomime.

We are currently busy planning our School Christmas Raffle to be held on Friday 14<sup>th</sup> December. As you were so generous last Christmas we hope that you may be willing to offer anything by way of a prize for our grand prize raffle.

Thanking you in anticipation.
