Dear Parents and Carers

As it is the start of the Academic year, we would like to take this opportunity to remind you that PE kits need to be brought into school. We have noticed that some children have not yet brought in their PE kit. PE is an important part of the school curriculum and we want all of our children to participate fully in every lesson. Without the proper kit children are not always safe to take part in all of the sporting activities that are on offer. We suggest that the PE kit is in school every day in case there is a timetable change, due to weather or other activities being scheduled.

We would like to remind you that all the necessary kit (apart from plimsolls and trainers) can be purchased from the school office. As the weather becomes more Autumnal it is a good idea to have an additional long-sleeved top (plain) and dark tracksuit bottoms for outdoor PE sessions. **Please can you also check that all items of PE kit are labelled clearly to help everyone keep track of it.**

If your child has grown out of their PE kit, and it is still in good condition, we would appreciate it if you could donate this to the school for us to keep as spare.

Thank you for your support with this matter.

Mrs J Sherlock
