

Google Expeditions

Dear Parents and Carers

On Wednesday 1st February a Google Expeditions Associate will be coming to Eastbrook to help run Google Expeditions. This is a new app developed by Google to open up the classroom for a fully immersive learning experience. It will help to stimulate the children's imagination and give them ideas for their writing.

The Google associate will be on hand to support with the technology, however it will be Mr Button and myself who will lead the Expedition. On the day the children will be able to use cardboard viewers to enhance their experience.

You can download the Expeditions app on your tablet or phone for free prior to this day. Should you have any queries or questions please contact Mr Button or myself who will be happy to assist you in these matters.

Mrs Sutcliff
Computing Co-ordinator
