Tricky words for the week!

Remind the children that tricky words are words that we have to know – we cannot sound them out.

Flash cards!

j 	v 	w 	x 	y 	z 	zz 	qu 
ch 	sh 	th 	ng 	ai 	ee 	igh 	oa 
oo 	oo 	ar 	or 	ur 	ow 	oi 	ear 
air 	ure 	er 	My Phase 3 Sound Mat				

Go through phase 3 flash cards. Ensure children are saying the sounds correctly. Remind children of the digraphs (2 letters, 1 sound) and trigraphs (3 letters, 1 sound). On w/bs can the children write the grapheme (choose some phase 3 sounds for children to write).

Can you write the grapheme...?

These are all alternative spellings for the phoneme 'ai'.

Are you a phoneme detective?

Splat the word! Sound talk the word and see whether the children can push the sounds together to read the word and then splat the correct word on the board.

TBAT: read and spell words with phase 5 phonemes ('ai' family)
