Dear Parents and Carers

As your child is now in Year 5, we appreciate that you may be thinking of giving them some independence in walking to and home from school. If you wish your child to be able to walk home alone, we would like you to complete the slip below and return it to school.

If your child has siblings in lower years, we would prefer for them not to have the responsibility of walking them home.

Without your permission we will not permit a child to walk home alone and would continue with our usual practise of contacting you to confirm how they are getting home. We will also still request this information on trip letters that return to school after 3.05pm.

As a general rule mobile phones are not allowed in school. If you wish your child to have a mobile phone for the walk to/from school, they will be expected to be handed to the class teacher at the start of the day and will be returned to your child at home time. Class teachers will explain this procedure to the children.
