Y4: Behaviour and Attitudes Update

Dear Parents and Carers,

As some of you might have heard from conversations with the children, we have introduced three golden behaviours at school (Safe, Kind and Ready). The children have responded brilliantly and are enjoying demonstrating these behaviours and earning house points.

In step with the introduction of these Golden Behaviours, we are looking to update the existing school Behaviour policy to ensure that it is fully fit for purpose, consistent and reflects the positive choices that we wish for children to make.

Before we launch potential changes across the school, we want to know that they suitably work! With this in mind, in Y4, over the coming weeks, we will be 'testing out' a strand of the new policy which links to celebrating brilliant learning behaviours and conduct whilst also managing distractions proactively and positively in the classroom.

Please do ask the children about what this looks like once we get started next week! We will, of course, keep families updated on the impact and potential changes for the future.

Thank you in advance for your support.

Yours faithfully,

Mr Clark
