Handwriting practice row 1: A cursive lowercase letter 'b' is written on a set of three horizontal lines. The letter starts with a yellow dot on the top line, descends to the bottom line, loops back to the left, and then ascends to the top line. Below the letter, there are five yellow dots on the middle line, serving as starting points for further practice.

Handwriting practice row 2: A cursive lowercase letter 'b' is written on a set of three horizontal lines. Below the letter, there are five yellow dots on the middle line, serving as starting points for further practice.

Handwriting practice row 3: A cursive lowercase letter 'b' is written on a set of three horizontal lines. Below the letter, there are five yellow dots on the middle line, serving as starting points for further practice.

Handwriting practice row 4: A sequence of alternating cursive lowercase letters 'a' and 'b' is written on a set of three horizontal lines. The sequence starts with 'a', followed by 'b', 'a', 'b', 'a', 'b', 'a', 'b', 'a', 'b'. Each letter starts with a yellow dot on the top line. Below the sequence, there are five yellow dots on the middle line, serving as starting points for further practice.

Handwriting practice row 1: A series of cursive lowercase 'i's on a four-line grid. The first 'i' is a complete example with a dot above the top line. The following 'i's are incomplete, showing only the stem and a starting dot on the middle line.

Handwriting practice row 2: A series of cursive lowercase 'i's on a four-line grid. The first 'i' is a complete example with a dot above the top line. The following 'i's are incomplete, showing only the stem and a starting dot on the middle line.

Handwriting practice row 3: A series of cursive lowercase 'i's on a four-line grid. The first 'i' is a complete example with a dot above the top line. The following 'i's are incomplete, showing only the stem and a starting dot on the middle line.

Handwriting practice row 4: A series of cursive lowercase 'i's on a four-line grid. The first 'i' is a complete example with a dot above the top line. The following 'i's are incomplete, showing only the stem and a starting dot on the middle line.
