9th February 2018

Dear Parent and Carers

It has come to our attention through conversations about online usage that children of Year 5 may have been accessing online material at home that is not appropriate for their age range. As part of the school policy on e-Safety, we shall continue individual conversations, but will also be putting in place more focussed sessions to highlight positive online use. We know that you will want to support us by continuing to monitor your children's online activity closely.

We would like to take this opportunity to remind you that we have an Internet Safety meeting on the 26th February at 3:15 with Mr Button and Mrs Sutcliff for parents with questions about their children's online usage. We believe that internet safety education is a crucial element of the curriculum and an essential part of young people's development. This session is designed to help you become more aware of the safety messages that your children receive in school in order to reinforce them in your home environment.

If you have any questions or concerns at any point about your child's use of the internet, please contact Mr Button.

Yours sincerely

Mrs Sutcliff and Mr Button

Online Safety Presentation

- I would like to attend the internet safety session on the 26th February

Number of people attending_____ Number of pupils who need supervision_____

Signed _____ Name of pupil_____
