

Dear Parents and Carers

We will be holding a cake sale in school on Friday 28th September to support Macmillan Cancer. If you would like to join us in raising funds for this charity please come along.

We would appreciate donations of cakes to sell, either home- made or shop bought, they may be left at the office from Thursday 27th September. The school will host the cake sale in the school hall from 9.00 until 10.15 am. Tea and coffee will also be available.

Mr Owen will also hold a Parents Forum at this event concerning school clubs, so please come along if you have any ideas, views or opinions about this subject.

We hope to see as many of you as possible.
