

Year 2: Summer Term 2020

Homework Tasks

Choose one task each week. Colour in the star when it's complete!

English tasks:

Fact booklet

Research a topic of your choice (animals, sports, a country or a famous person) and create your own fact booklet. You can include pictures, diagrams and interesting information. Challenge: Can you think of 5 different sub-headings to write about?

Write a story set by the sea

Use the setting of the seaside to write a creative and imaginative story. This could be about a strange or exciting day at the seaside or you could write imagining you are a sea creature.

Word search

Make a word search using words from the seaside e.g. sand, shore, ice cream and bucket

Spellings

Using the Year 2 spellings create some interesting silly sentences. Can you include capital letters, finger spaces and the correct punctuation? Try and challenge yourself to include simple and compound

Maths

Separate Maths work will be sent home based on the subject we will be covering in class that week. Ensure your child is practising their times tables regularly to improve fluency.

History tasks:

Compare the seaside today to the past. How has life at the seaside changed?

Geography tasks:

Describe your local environment. Can you write sentences about your nearest beach?

Think of two local places you have visited. Can you find some similarities or differences about these places?

Science tasks:

Write a set of instructions describing how to plant a seed and include what is needed for a seed to grow.

Draw a picture of a flower and label key features such as stem, leaf and petal.

Go on a plant hunt around your neighbourhood. Can you list the different plants and explain where you found them?

Art/Design Technology tasks:

Make your own beach hut.

Design your own flavoured ice-cream. Create a labelled picture with sentences underneath to persuade someone to buy it.

Use any media to create a beach scene.

Remember to read regularly to an adult. Please ensure you record it in your reading record diary so you can earn stickers!
