

Home learning Website list

Maths and Literacy Websites

www.topmarks.co.uk

For a range of maths activities and games.

www.ictgames.co.uk

A firm favourite with the children.

www.bbc.co.uk/schools/numbertime

Some fantastic maths games from the BBC.

www.mathszone.co.uk

This website has a lot of maths games covering many different areas from simple addition and subtraction through to reflection and rotational symmetry.

<http://www.primaryhomeworkhelp.co.uk>

This is a wonderful primary school website which has games and information on a range of subjects.

<http://www.oxfordowl.co.uk>

A great website from the makers of the Biff and Chip books. There are some simple maths games and access to a huge range of ORT books. Very useful.

<https://www.bbc.co.uk/teach/>

A collection of resources to support learning in all areas of the curriculum.

<http://www.phonicsplay.co.uk>

A website with a range of phonics games for the children to access and play

<http://www.phonicsplaycomics.co.uk/comics.html>

Comics using the sounds the children have been learning

Just for fun!

www.funbrain.com

A website with stories to read and games to play. You can browse by age level

www.activityvillage.co.uk

A website with activities galore colouring in pages, origami, recipe ideas and doodle books. This website will give you thousands of ideas to keep the children busy. Sadly many of the printable resources are now part of the members only section.

<http://mrspancake.com>

A collection of delightful activities to print out and make on those tricky rainy days.

Step by step instructions for fantastic origami models including a brilliant section on paper planes.

<https://www.kiddle.co>

Kiddle is a child friendly search engine by goodle. A great place to find out about particular topics whilst staying safe online.

www.natgeokids.com

National Geographic for kids has some stunning images and interactive games and colouring books. A lovely site for children to learn more about animals, wildlife and the world around them.

<https://www.cosmickids.com>

Fantastic fun yoga stories for children. Will keep them entertained when they need down time!

<https://www.bbc.co.uk/sport/football/supermovers>

www.gonoodle.com

Music and mindfulness for children. It's an American website with lots of fabulous dance routines and guided mindfulness sessions.

www.code.org

There are courses and games for learning how to code on this great website. All courses are free of charge and have a really good range of levels.

Apps

<http://itunes.apple.com/gb/app/jungle-time-learn-how-to-tell/id366422129?mt=8>

Jungle Time. A great app to help your child with telling the time.

<https://itunes.apple.com/gb/app/forest-phonics/id581746397?mt=8>

A wonderful app to support phonics and word building skills.

<http://itunes.apple.com/gb/app/abc-pocketphonics-letter-sounds/id299342927?mt=8>

abc pocket phonics

This is an app based on Letters and Sounds, the phonics teaching programme used at Eastbrook.

<http://itunes.apple.com/gb/app/times-tables-squeebles-multiplication/id366347095?mt=8>

squeebles multiplication. A great app to help with multiplication.

<https://itunes.apple.com/gb/app/motion-math-zoom/id451793073?mt=8>

and

<https://itunes.apple.com/gb/app/motion-math-hungry-fish/id483049169?mt=8>

These aim to improve your child's understanding of place value and number bonds. Both are really good games and are suitable for your older children too. The developer 'motion maths' have made a number of apps for older mathematicians too.
