# Homework

- Homework involves more choice and creativity.
- Children will receive a booklet from which they may choose activities to complete each week from a range of curriculum subjects.
- Differentiated maths homework will be set each week. Mrs Green's maths group will have a separate book for their homework. Homework is set in on Friday and due in on Wednesday. Children are to return the book by Wednesday even if it is not completely finished please.
- Spellings – 5 a week and tested on a Friday
- Reading

# Pupils' Personal Property

Following several instances where expensive pencil cases went missing last year (and inevitably turned up again) we would like to remind everyone that nothing of value (monetary or sentimental) should be brought into school. This includes expensive stationery like 'Smiggle' items and Fidget Spinners! The school provides children with everything they need to complete their work.

Water bottles and toilets
